RHS-ME-177	Medicine - Department of Neurology	Resident Wellness Champion Award	Each year, the award will be presented to a graduating child or adult neurology resident who has demonstrated a strong commitment to fostering a culture of wellness and resilience within the program.	The initiative aims to foster wellness awareness among trainees by cultivating a supportive environment that encourages a broader culture shift. The introduction of the Wellness Champion Award is designed to sustain positive momentum. This recognition not only instills a sense of pride in recipients—particularly meaningful when celebrated in the presence of family—but also enhances the reputation of the program.	All neurology residents, regardless of training level, are eligible to apply for the Wellness Champion Award by completing a brief survey. The survey is designed to capture the resident's contributions to wellness initiatives throughout their time in the program at the UKHC. Applicants are encouraged to list all relevant activities they have led or participated in—even team-based efforts—as they relate to the survey questions.	crystal trophy	\$200	Wellness Committee Fund	8-May	Residency Program Director and/or Department Administrator	\$200
